

MOTION OFFERED BY MR. BISHOP TO AMEND H. RES. 72

Mr. Chairman, I move to amend the resolution with the text of an amendment submitted to the Rules Committee by Mr. Landry of Louisiana. This amendment would add a new paragraph (13) at the end of Section 2 that states, “prevent the United States from becoming less dependent on foreign energy sources.”

By adopting this amendment, we can ensure the Committees of jurisdiction identify regulations, executive and agency orders, and other administrative actions or procedures that inhibit the United States from becoming less dependent on foreign energy sources.
